**Note:** The first section of this Legislative Update lists the bills that are still waiting for the Governor's action. These are bills VACSB had followed, where the Governor had recommendations that were voted on during the April 22nd Reconvened Session. The disposition of each bill is listed under the last action column. These bills are also listed in the main part of the Legislative Update which is in order by bill number. VACSB will send a final legislative update once the final disposition of these bills is known.

**Note:** SJ and HJ bills do not need the Governor's action in order to become law. HJ 52 is for a study on prescription drug costs and SJ 35 is a study on barrier crimes and criminal history records.
